Hi Kristen – Thanks for deploying to the GKM ICP. I was on tHad to jump off the EUL call but I heard you were going to mobilize to the ICP in Durango on Monday. Attached is the mobe package. I did overhear you speaking with Phillip Werner regarding your travel arrangements so I hope you got everything you needed there as well. Let me know if you have any questions.

Please check in with me at the ICP when you arrive (also, do you have an ETA please).

Travel safe and see you soon.
